----то тне----APPROACHING SEASON!!

In opening our Fall and Winter Campaign, we wish, first, to extend our cordial thanks to our many friends and customers who have appreciated our efforts during the past season to revolutionize the Dry Goods trade in our city and community, to knock the bottom from under High Prices, to down the humbug vendors of worthless trash, and to place upon the market honest,

reliable goods for the prices asked for shoddy and refuse. The prices we have made during the Spring and Summer Seasons we believe have been mutually beneficial to our customers and ourselves. It has been the largest and most satisfactory business we have ever done, the increased sales making up for diminished profits, and we do not propose to abate one iota in the wholesale slaughter of prices during the coming season.
